This family friendly hay ride is appropriate for ages 8 years and up. Each wagon holds approximately 20 people, and the ride lasts approximately 40 minutes and covers 3 miles through woods and fields past ruins of old farm buildings and equipment with actors in scary costumes doing their very best to make you scream! No tickets sold after 9:45 p.m. Last ride departs promptly at 10 p.m.! If it is raining, before you drive all the way out to the farm museum, please call 410-489-2345: A little fog improves the fun, but for the safety of our volunteers, we cancel for storms or steady rain. No alcohol, smoking, or drugs are permitted, and this policy is strictly enforced. Actors never touch people on hay rides. There is one wheelchair accessible ride available approximately every 40 minutes, but wagons depart approximately every 15 minutes. Net proceeds benefit the Howard County Living Farm Heritage Museum. You can purchase will call tickets in advance with PayPal at 3MileHauntedHayRide.com, but this is a fundraiser, NO REFUNDS are available. We are all volunteers, and we are always looking for people/clubs/businesses that want to sponsor the hay ride and/or help with planning, set building, make-up, costumes, and haunting the scenes.
